

Product List

Updated on 201802

Remark1: All products can be supplied from mgs to grams, some of them, up to kgs.
All products are tested by HPLC-UV or/and HPLC-ELSD, purity>95%,98% or 99%.

Remark2: More than 2000 natural compounds are available in this list for drug screening, many of them are our exclusive products. Most products in the list are in stock now, some of them is not in stock, but available.
